# Good George Beer.

## GOOD GEORGE TAP BEER & CIDER

**AMBER ALE 3.7%** **MED \$7.50** **LARGE \$9.50** **1 L JUG \$21.50**

Brewed with a classic English bitter in mind. This beer is about rich, caramel malts, balanced with a dash of colonial hops. The Hard Workers beer, we'll let you have a couple.

**SMALL WONDER PALE ALE 2.5%** **MED \$7.50** **LARGE \$9.50** **1 L JUG \$21.50**

Lighter style NZ pale ale with hints of passionfruit flavours. Crisp, refreshing and light, and at 2.5% you can't go wrong. He may not have a lot of weight behind him, but he can pack a punch, so if you feel like another...go ahead!

**SPARKLING PALE ALE 4.5%** **MED \$7.50** **LARGE \$9.50** **1 L JUG \$21.50**

If you're looking to step up from the usual, look no further. Hiding beneath its pale hue are pockets of citrus & balanced biscuity brilliance. Scared of that bitterness? Take another sip.

**PILSNER 5.0%** **MED \$8.00** **LARGE \$10.00** **1 L JUG \$22.00**

Our 'geographically confused' Pilsner has a combination of new and old-world hops, exhibited by fruit, subtle zest and a grassy herbaceous character. Finishing clean, dry and bitter it'll keep you coming back for more!

**STOUT 5.0%** **MED \$8.00** **LARGE \$10.00** **1 L JUG \$22.00**

A lovely smooth "ace of spades" black beer with chocolate, caramel and vanilla roastiness. If you haven't tried one, then now's ya chance. We think it's pretty damn GOOD!

**I.P.A 5.8%** **MED \$8.50** **LARGE \$10.50** **1 L JUG \$22.50**

Inspired by the wave of punchy new world hops. A lovely soft malt backbone is balanced perfectly with juicy, mouth-coating hoppy GOODness & a smooth lingering bitterness.

**DROP HOP CIDER 4.5%** **MED \$8.50** **LARGE \$10.50** **1 L JUG \$22.50**

What happens when brewers make cider? They throw oodles of hops into it of course! Take a few of the most intensely aromatic hop flowers from across the globe & make those apples sing.

**SCARLETT O'HARA PEACH CIDER 5.0%** **MED \$8.50** **LARGE \$10.50** **1 L JUG \$22.50**

It's made with juicy Scarlett O'Hara peaches, and brings you all the summer fun of eating a peach, minus the tooth-chipping stone and all that creepy fur.

**A.P.A 6.2%** **MED \$9.50** **LARGE \$11.00** **1 L JUG \$23.50**

Is it hoppy enough? This beer is the bigger brother to our IPA with bigger malt base, more alcohol and bitterness, and double the dry hop addition.
